

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY FRONTIER GAS, LLC	)	
FOR APPROVAL OF TRANSFER OF ASSETS	)	CASE NO.
OF THE FORMER B.T.U. GAS COMPANY AND	)	2012-00099
APPROVAL OF FINANCING OF ACQUISITION	)	

O R D E R

On March 16, 2012, Kentucky Frontier Gas, LLC (“Kentucky Frontier”) applied to the Commission for authority to purchase the former B.T.U. Gas Company (“BTU”) and to finance the acquisition. On March 26, 2012, the Commission notified Kentucky Frontier that the tendered application contained certain filing deficiencies, including a failure to provide maps and plans of the BTU gas system, pursuant to 807 KAR 5:001, Section 11(2)(c).

On April 4, 2012, Kentucky Frontier satisfied all deficiencies except the requirement of 807 KAR 5:001, Section 11(2)(c) to provide maps and plans of the BTU gas system. In its request for a deviation from this requirement, Kentucky Frontier states that the only map or plans it has of the BTU gas system is what has already been submitted as exhibit 5 to its application.

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that Kentucky Frontier has presented sufficient good cause to grant the requested deviation from the requirement of 807 KAR 5:001, Section 11(2)(c), to provide maps and plans of the BTU gas system. Good cause having been shown, the deviation should be granted.

IT IS THEREFORE ORDERED that Kentucky Frontier's motion to deviate from 807 KAR 5:001, Section 11(2)(c), to provide maps and plans of the BTU gas system is granted and the application is considered filed as of April 4, 2012.

By the Commission
